

GRADUATION REQUIREMENTS

The Avery County Board of Education recognizes the importance of setting rigorous graduation requirements in order to help ensure that students are receiving an education that will prepare them to be college and career ready and productive members of society.

In order to graduate from high school, students will be required to meet the minimum requirements:

1. Successful completion of all course unit requirements mandated by the State Board of Education (see Section A);
2. beginning in the 2014-2015 school year, successful completion of cardiopulmonary resuscitation instruction; and
3. successful completion of all other requirements mandated by the board, as provided in this policy.

The principal shall ensure that parents and students are aware of all graduation requirements. School counseling program staff shall assist students in selecting their high school courses to ensure that students are taking all of the required units and selecting electives consistent with their post-graduation plans. For students who have transferred to the school district during high school, or who for other reasons have completed course work outside of the school district, the principal will determine what course work will be applied as credit for graduation. The principal shall consider the requirements of the Interstate Compact on Educational Opportunities for Military Children (G.S. 115C-407.5) and the requirements of subsection C.3 of this policy in determining the graduation requirements for children of military families.

A. COURSE UNITS REQUIRED

All students must fulfill the course unit requirements of the Future-Ready Core Course of Study, unless they are approved for the Future-Ready Occupational Course of Study. The below lists the course unit requirements for the Future-Ready Core Course of Study and the Future-Ready Occupational Course of Study based on the student's year of entry into ninth grade for the first time.

In accordance with policy 3101, Dual Enrollment, and State Board of Education requirements, students may earn high school credit for college courses completed. In addition, students may earn credit for certain high school courses in the Future-Ready Core Course of Study completed prior to grade 9, while in middle school, as authorized by the State Board of Education. Students also have the opportunity to meet course unit requirements without completing the regular period of classroom instruction by

demonstrating mastery of the course material in accordance with policy 3420, Student Promotion and Accountability, and State Board of Education requirements.

All awards of high school course credit must be consistent with State Board of Education requirements. Any inconsistency between board policy and State Board graduation requirements will be resolved by following the State Board requirements. While the board endeavors to keep its policy up to date with current State Board of Education graduation requirements, students should verify current requirements with their school counselors when planning course schedules or making other decisions based on graduation requirements.

B. HIGH SCHOOL END OF COURSE TESTING

High school students must take all end-of-course (EOC) tests, Career and Technical Education State Assessments (CTE Post-Assessments), and any other applicable exams or assessments required by the State Board of Education and pursuant to policy 3410, Testing and Assessment Program.

C. CREDIT REQUIREMENTS

Students must complete a minimum of 28 credits including all required courses to graduate from ACHS and complete all tests (including but not limited to EOC’s WorkKeys, CTE Final Exams, ACT, NC Final Exams) required by the state of North Carolina before receiving a high school diploma.

D. SEMESTER ENROLLMENT REQUIREMENT

In order to graduate from high school in Avery County, a student must have at least seven (7) semesters of high school enrollment beginning in ninth grade. The Board of Education, upon a recommendation from the superintendent, may waive this requirement if there are extenuating circumstances.

E. SPECIAL CIRCUMSTANCES

The board adopts the following policies with regard to graduation:

1. Honor Graduates

Honor graduates may be designated by the principal on the basis of criteria established by the superintendent. Recognition of honor graduates may be included in graduation programs.

2. Students with Disabilities

Graduation requirements must be applied to students with disabilities to the extent required by state and federal law and State Board policy.

3. Children of Military Families

In order to facilitate the on-time graduation of children of military families, the board adopts the following policy provisions for students covered by the Interstate Compact on Educational Opportunity for Military Children applies.

a. Waiver Requirements

Specific course work required for graduation will be waived if similar course work has been satisfactorily completed in another school system. If a waiver is not granted, school administrators shall provide the student with reasonable justification for the denial. If a waiver is not granted to a student who would qualify to graduate from the sending school, the superintendent or designee shall provide the student with an alternative means of acquiring the required coursework so that graduation may occur on time.

b. Testing Requirements for Graduation

The superintendent shall accept the following in lieu of any local testing requirements for graduation: (1) end-of-course exams required for graduation from the sending state; (2) national norm-referenced achievement tests; or (3) alternative testing. If these alternatives are not feasible for a student who has transferred in his or her senior year, subsection c below will apply

c. Transfers During Senior Year

If a child of a military family who has transferred at the beginning of or during his or her senior year is ineligible to graduate from the school system after all of the alternatives listed above have been considered and the student meets the graduation requirements at his or her sending school, then school officials from the school system shall collaborate with the sending school system to ensure that the student will receive a diploma from the sending board of education.

4. Early Graduation

Graduation prior to that of one's class may be permitted on the basis of criteria approved by the board upon recommendation by the superintendent.

5. Graduation Certificates

Graduation certificates will be awarded to eligible students in accordance with the standards set forth in State Board policy GRAD-010.

6. Diploma Endorsements

Beginning with the graduating class of 2014-2015, students will have the opportunity to earn an endorsement to their diploma identifying a particular area of focused study including: (1) Career Endorsement, (2) College Endorsement (two options), (3) North Carolina Academic Scholars Endorsement, and/or (4) a Global Languages Endorsement. No endorsement is required to receive a diploma.
